Taurine 500 mg 100 Capsules #70620
Taurine 1000 mg 250 Capsules #73920

Buy

Taurine is a semi-essential amino acid that plays a specialized role as an ion and pH buffer in the heart, skeletal muscles and central nervous system. Taurine is also a potent antioxidant and antitoxin, and is particularly important to the liver and immune system. Free form amino acid, high purity, well tolerated.*

Each capsule contains:	
L-Taurine (#70620)	500 mg
or	
L-Taurine (#73920)	1000 mg

Other ingredients:
Cellulose, silicon dioxide, stearic acid.

Suggested Use:
As a dietary supplement, one (1) or two (2) capsules twice daily between meals, or as directed by a healthcare practitioner.
