Say Yes to Dairy® Chewable Natural Lactase Enzyme

Product No. 4440

Say Yes to Dairy is a maximum strength digestive aid designed for temporary relief from the discomforts of lactose intolerance following dairy food consumption. Each chewable tablet supplies highly active lactase enzyme in a delicious French vanilla base. Even if you consume the healthiest diet imaginable, there can be no transfer of nutrients to the cells of your body unless food in the digestive tract is broken down properly. That requires the action of enzymes.
