MultiMin 120 capsules
70210

The classic mixed mineral formulation, emphasizing hypoallergenic sources as developed by Stephen A. Levine, Ph.D., MultiMin includes minerals known to be important for metabolism, and at levels that are physiologically significant. MultiMin provides macrominerals, trace minerals, ultra-trace minerals, and minerals likely to be proven essential. Also included in MultiMin is glutamic acid, which is a mildly acidifying agent to aid with absorption.*

Hypoallergenic.

Each capsule contains:	
Calcium (as Calcium Citrate)	83 mg
Iron (as Ferric Ammonium Citrate)	6 mg
Magnesium (as Magnesium Glycinate)	83 mg
