Curazyme™

For occasional muscle pain associated with exercise and overuse†

Dietary Supplement

Product Numbers: 08633 , 08636

Product Quantities: 30 Capsules, 60 Capsules

Curazyme™ contains essential nutrients that must be present for body functions that deal with physical exertion.† Vitamin C affects the strength and integrity of collagen, the basic supporting structure in the tendons, cartilage, and connective tissues that help muscles and joints work.† Pantothenic acid, magnesium, and cysteine are included for synergistic support.†

This formula also provides standardized, high-quality extracts of curcuma (turmeric), which supports healthy joint functions, and butcher's broom, which offers additional benefits related to the effects of exertion on the body.†

Product Nutrient Categories: Amino Acid Glandular Herbal Mineral Vitamin

Recommendations: One or more capsules between meals.
