ParaMicrocidin 125 mg 150 capsules
70040

Buy

An extract of citrus seeds (from grapefruit) that appears to favorably affect the balance of micro-organisms in the intestines, ParaMicrocidin addresses a variety of unfriendly intestinal microbes.*

Each capsule contains:
Citrus Seed Extract 125 mg
Other ingredients:
Cellulose, magnesium stearate, silicon dioxide.

Suggested Use:
As a dietary supplement, 1 or 2 capsules three or four times daily with meals, or as directed by a healthcare practitioner. Daily intake should not exceed 1500 mg.
