B-Right™

100 Capsules
Low Odor B Complex
Balanced Formula
Prod # 01006

USAGE: Take 1 or 2 capsules per day with a meal, or as directed by your qualified health consultant.

B-RIGHT™ is a carefully balanced B complex formula.

B-RIGHT™ is low-odor because the choline bitartrate is microencapsulated in cellulose beadlets. B-RIGHT™ is the pleasant-to-take B-Complex.

Methylcobalamin is better absorbed, retained and utilized than other forms of B12. Methylcobalamin and niacinamide protect brain and nerve tissue. Pantethine is a derivative of Vitamin B5 and is a precursor to coenzyme A (CoA) which is involved in oxidative metabolism. Pyridoxal 5-phosphate (P-5-P) is the coenzyme form of vitamin B6 and is necessary for the metabolism of proteins and amino acids.

Keep out of the reach of children.
