†Uniquely incorporated into Ester-C Plus™ Complex

Ester-C Plus™ is exclusively formulated by Solgar and provides a patented method of supplementing pH neutral (non-acidic) vitamin C to prevent stomach irritation. In addition, Ester-C Plus™ includes the vitamin C metabolites, L- hreonic acid, L-lyxonic acid and L-ylonic acid, that occur along with vitamin C in nature. A special manufacturing process is employed to form a unique calcium ascorbate metabolite complex.
If you are pregnant, nursing, taking any medication or have a medical condition, please consult your healthcare practitioner before taking any dietary supplement.

Ester-C® is a licensed trademark of Inter-Cal Corp. and is manufactured under U.S. Patent No. 4,822,816 with other patents applied for.

Solgar's Ester-C® Plus Vegetable Capsules are free of corn, yeast, wheat, soy and dairy products and are formulated without the use of preservatives, artificial flavors or colors.
