NAC (N-Acetyl-Cystein)(capsules)

L-Tyrosine

100 Capsules
500 mg each
Pharmaceutical Grade
Hypoallergenic
Prod # 15001

USAGE: Take 1–2 capsules daily, on an empty stomach immediately after arising in the morning, preferably with juice as a carbohydrate source, or as directed by your qualified health consultant.

Note: Do not take in conjunction with MAO inhibitor drugs. Not for use by persons with a history of malignant melanoma. Do not use if bipolar, pregnant, suspect pregnancy, or lactating.

L-Tyrosine is utilized for the synthesis of catecholamine neurotransmitters, such as norepinephrine, epinephrine and dopamine. Jarrow Formulas® L-Tyrosine is pure crystalline amino acid from microbiological fermentation. It is NOT derived from milk.

Keep out of the reach of children.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Keep tightly closed in a cool, dry place.
