Vitamin A Solubilized 10,000 IU

Vitamin A has several important functions in the body, including the maintenance of proper vision. When the body is deficient in Vitamin A, the eye gradually loses its ability to adapt to changes in light resulting in "Night Blindness." Another vital role of vitamin A concerns the formation, maintenance, and growth of skin, which forms the body's primary barrier to infection.

Supplement Facts
Serving Size 1 Soft gel

	Amount Per 1 Soft gel	% DV
Vitamin A (as palmitate)	10000IU	200%

* Daily Value (DV) not established
