FIBER PLUS®

Pleasant Tasting Apple-Spice Flavor Powder

Promotes Regularity
Fiber, Senna and Purifying Herbs

BENEFITS: Fiber Plus is Yerba Prima's most powerful formula to restore and promote regularity. It contains all the benefits of fiber, plus the additional colon cleansing benefits of senna, in a base of purifying herbs.* Fiber Plus provides a quick, thorough cleansing of the colon when needed.

Our combination of senna, fiber and purifying herbs is unique. This Yerba Prima combination gives benefits that cannot be found in normal senna products or fiber products alone. Yerba Prima uses a premium standardized extract of Senna for consistent, reliable results. Senna extract is a potent herb that promotes reliable, gentle bowel activity overnight. Fiber Plus balances the action of senna with the mild bulking fiber benefits of our complete fiber formula containing all 5 fiber types, and with ginger. Our complete fiber formula helps to retrain the bowel for normal, healthy bowel functioning over the long term. The fiber also absorbs and removes toxins and waste material as it passes through the colon.

Fiber Plus purifying herbs provide additional balance and cleansing support. Ginger root soothes the digestive system to minimize discomfort and promotes proper digestion. Dandelion and Red clover help support the cleansing function of Fiber Plus for maximum benefits.

Use as needed, but not longer than two months everyday. For long term use, gradually substitute Yerba Prima Daily Fiber or Psyllium Husks for Fiber Plus. Fiber Plus Powder has a light, pleasant tasting apple-spice flavor, without added sugar. It contains no artificial sweeteners, colors or additives.

SUGGESTED USE: ADULTS AND CHILDREN OVER 12: 1 heaping teaspoon, one to three times a day.
CHILDREN 6 - 12: 1 level teaspoon, one to three times a day. See Directions.

DIRECTIONS: Start by taking 1 serving each day. Gradually increase to 3 servings per day if needed. Stir powder briskly into at least 8 ounces (a full glass) of water. For easiest mixing, shake in a closed jar. Drink immediately. If product is too thick when consuming, add more liquid and stir. Drinking additional liquid is helpful. If minor gas or bloating occurs, reduce the amount you take until your system adjusts.

Notice: This product contains senna. Read and follow directions carefully. **Do not use if you have or develop diarrhea, loose stools, or abdominal pain.** Consult your physician if you have frequent diarrhea. If you are pregnant, nursing, taking medication or have a medical condition, consult your physician before using this product. **CAUTION:** A very small percentage of individuals, particularly health care providers who have been occupationally exposed to psyllium dust, may develop a sensitivity to psyllium. This sensitivity may result in an allergic reaction. If you experience a strong reaction, with difficulty in swallowing or breathing, after taking this product, seek immediate medical attention. Keep out of the reach of children.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
