If you are preganant, nursing, taking any medication or have a medical condition, please consult your healthcare practitioner before taking any dietary supplement.

Solgar's Pyridoxal-5-Phosphate Tablets are free of corn, yeast, wheat, soy and dairy products and are formulated without the use of preservatives, artificial flavors or colors.

Pyridoxal-5-Phosphate (P-5-P) is the coenzyme form of vitamin B6. The body must first convert vitamin B-6 into P-5-P before it can be utilized. P-5-P Tablets are specially coated for protection against degradation from stomach acids.
