Supplements

Glucosamine/Chondroitin Rx-Joint® Tablets

Product No. 4920

Rx-Joint® is a targeted, condition-specific formulation designed to nutritionally support healthy joint function. Each mega-potency dosage supplies 1000 mg of pure glucosamine sulfate and chondroitin sulfate, the preferred forms of these critical nutrients. This powerful complex is then fused with a unique profile of essential cofactors, including buffered vitamin C and manganese glycinate for peak efficiency. Glucosamine Chondroitin Rx-Joint, formulated with a proprietary extended-delivery system, allows natural, gradual absorption for maximum nutritional support.

Bottles of 60 #4920
