If you are pregnant, nursing, taking any medication or have a medical condition, please consult your healthcare practitioner before taking any dietary supplement.

Spirulina is a microscopic plant organism made directly by the interaction of sunlight and water (Photosythesis). It is a concentrated nutrient dense whole food including a complete array of nutrients.

Solgar's 100% Hawaiian Spirulina Tablets are free of starch, corn, yeast, wheat, soy and diary products and are formulated without the use of preservatives, artificial flavors or colors.

Servings per container information in the Supplement Facts box is based on the 100 Tablets container.
