

Silybin Phytosome™

(Ultimate Absorption)

Provides optimum support for liver function†

Dietary Supplement

Product Numbers: 08436

Product Quantities: 60 Capsules

The patented Phytosome™ technology, which combines one part silybin (the most beneficial component of milk thistle extract) with two parts phosphatidylcholine, dramatically improves absorption. Research indicates Phytosomes are absorbed more effectively than non-Phytosome products.† With this enhanced delivery, more of the key compounds get where they're needed most-to the cells in your body.†
