USAGE: Take 1 to 4 softgels per day with food, or as directed by your qualified health consultant.

Q-absorb™ is a completely natural proliposome lipid soluble delivery system clinically shown in humansto increase plasma Co-Q10 levels 200% (3x) over baseline and at least 40% higher than dry capsules.
Co-Q10 supports heart function as a component of the electron transport system, and as an antioxidant protects mitochondrial membranes and cholesterol from oxidation.
Jarrow Formulas® Co-Q10 is derived from fermentation and consists only of the natural trans configuration, the same as synthesized by humans. Jarrow Formulas® supports clinical research on Coenzyme Q10.

Keep out of the reach of children.
