Ultra-Mins Tablets

Product No. 3300

Ultra-Mins is an Amino Acid Chelated Mineral Complex. You may be one of those individuals for whom only "ultra" quantities will suffice, but check with your family health care practitioner to make sure they are right for you. Many people are aware that their regular diet does not consistently supply enough of the food-based nutrients their bodies need. Nature's Plus offers a wide array of vitamin and mineral supplements which can effectively fill many of those nutritional gaps.
