

Grape Seed PCO Phytosome™ 100 mg

Antioxidant supplement 3-7 times more absorbable than unbound extracts†

Dietary Supplement

Product Numbers: 08866 , 08869

Product Quantities: 60 Capsules, 90 Capsules

Grape Seed (PCO) Phytosome™-100 is double the strength of our standard Grape Seed (PCO) Phytosome™.

Product Nutrient Categories: **Herbal**

Recommendations: One capsule three times daily.

Capsule Size: 2

Serving Size: 1 Capsule	**Amount/Serving**	**%DV**
Grape (Vitis vinifera) Seed Phytosome™ standardized to contain 95% procyanidolic oligomers (PCOs) from grape seed extract bound to phosphatidylcholine under patent	100 mg	*

*Daily Value (DV) not established.

Other Ingredients: gelatin, magnesium stearate, silicon dioxide, and titanium dioxide color.

Contains No: sugar, salt, yeast, wheat, gluten, corn, dairy products, artificial flavoring and preservatives. All colors used are from natural sources.

Notes: The PCOs extracted from grape seed support healthy vein and capillary structures.†

Grape Seed (PCO) Phytosome™ features a complex between one molecule of a procyanidolic oligomer (PCO) derived from the grape seed and two molecules of phosphatidylcholine (the chief component of lecithin) to form what is called a Phytosome™. The result of this patented process is improved biological activity and 3-7 times more absorption than non-Phytosomes™.†
