Jarro-Dophilus EPS

60 Vegetarian Capsules
• Higher Potency
• 8 Species
• Dairy Free
• 4.4 Billion Organisms per Capsule
• Enteric Coated
• Room Temperature Stable
Prod # 03020

Suggested Usage: Take 1 to 2 capsules per day, preferably on an empty stomach, though it may be also taken with food, or as directed by your qualified health consultant.

Jarro-Dophilus EPS™ is room temperature stable, but preferably refrigerate to safeguard product from heat.

Blister packaging each capsule provides extra protection to the bacteria against moisture and oxygen.

THE PROBIOTIC SUPER FORMULA

At time of manufacture, each capsule contains approximately 4.4 Billion organisms.

Jarro-Dophilus EPS™ is room temperature stable and enteric coated, delivering directly into the intestines 8 different species of probiotics representing 4 genera of bacteria:

Lactobacillus, Bifidobacteria,

Lactococcus and Pediococcus

• *Bifidobacteria longum BB536 (morinaga strain)* has been shown to colonize , stimulate immune response and suppress intestinal pathogens.
• *L.rhamnosus R0011* is a unique, high producer of polysaccharides, which facilitate colonization and stimulate intestinal immune response.
• *Lactococcus and Pediococcus* help reduce spoilage caused by undesirable bacteria in cultured dairy products.

These statements have not been evaluated by the food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Storage: Refrigeration is not necessary. However, refrigeration is recommended in order to maintain the maximal survival and prolong the shelf life of the organisms

SUPPLEMENT FACTS

Serving Size 1 Capsule		Amount	% DV
Probiotic Bacteria		4.4 Billion Organisms	*
Lactobacillus rhamnosus R0011	15.4%	680 Million	
Lactobacillus casei R0256	15.4%	680 Million
