

Super Milk Thistle®

(Patented Phytosome™ process, Ultra Absorption)

Supports healthy liver function†

Dietary Supplement

Product Numbers: 08102 , 08106

Product Quantities: 120 Softgel Capsules, 60 Softgel Capsules

Your liver is responsible for virtually all internal detoxification. **Super Milk Thistle®** not only enhances this process through its positive effects on bile flow, it helps strengthen the liver at a cellular level so it functions at its best when you need it most.†

The patented Phytosome™ technology, which combines one part standardized milk thistle extract with two parts phosphatidylcholine, dramatically improves absorption.† Research indicates Phytosomes are absorbed more effectively than non-Phytosome™ products.† With this enhanced delivery, more of the key compounds get where they're needed most - to the cells in your body. †

Product Nutrient Categories: Herbal

Recommendations: One softgel capsule two to three times daily.

Serving Size: 1 Softgel Capsule	**Amount/Serving**	**%DV**
Milk Thistle (Silybum marianum) Fruit Phytosome™ One part Milk Thistle Extract, standardized to contain 80% silymarin, bound to two parts phosphatidylcholine using a patented process	100 mg	*
Artichoke (Cynara scolymus) Leaf Extract standardized to contain 13-18% caffeylquinic acids calculated as chlorogenic acid	40 mg	*
Dandelion (Taraxacum officinale) Root Extract 4:1	10 mg	*
Licorice (Glycyrrhiza glabra) Root and Rhizome Extract standardized to contain 5% glycyrrhizic acid	10 mg	*

*Daily Value (DV) not established.

Other Ingredients: soybean oil, gelatin, glycerin, beeswax, and lecithin.

Contains No: sugar, salt, yeast, wheat, gluten, corn, dairy products, artificial coloring, artificial flavoring and preservatives. This product contains natural ingredients; color variations are normal.

Notes:
Same great product with more artichoke for even higher levels of liver support.†

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

† **This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**
