Maxi Biotic® 450
Maxi-Health Research® has joined Wakunaga of America Inc®, the producers of natural high quality, odorless garlic and created Maxi Biotic 450. We combine high potency pure Kyolic odorless garlic with Echinacea concentrate and Earthrise® spirulina to create a powerful immune system booster that will provide you with a natural defense against viral, bacterial and fungal (yeast) infections.

The health enhancing properties of garlic cannot be underestimated. It supports a healthy heart, helps with circulation, and enhances a strong immune system. The Kyolic garlic in Maxi Biotic is 100% organically grown and deodorized by the exclusive natural cold aging process. Maxi Biotic 450 also provides 100 mg. of Earthrise® spirulina, the highest quality, purest spirulina available. Spirulina is a blue green algae that is extremely rich in protein (65%). It is also an excellent source of essential amino acids and is an important trace material that helps support a healthy immune system . We then add 50 mg of Echinacea concentrate to support your immune system. Why wait? Don't procrastinate. Protect yourself now with Maxi Biotic 450 from Maxi-Health Research®, your premier dietary supplement company
