Trust The Leaf™

Alfa-Max

Description
Alfa-Max is a 10x extract of fresh green Alfalfa leaves. Alfa-Max is much more digestible than raw alfalfa because the plant cellulose has been removed. Eight Alfa-Max capsules contain approximately 43% protein (by weight) and 2,600 IU of Vitamin A (as natural beta-carotene). Alfa-Max delivers 52% of the USRDA for vitamin A.

Product Q&A

1. How much Beta Carotene is in one Nature's Way Alfa-Max capsule?
   There are approximately 24,800 IUs of Beta Carotene in 100 grams of dried herb powder. This calculates to 100 IUs of Beta Carotene per 405mg capsule of Alfalfa.

2. Are there any fillers in Nature's Way Alfa-Max capsules?
   No.

3. What part of the Alfalfa plant does Nature's Way use in this product?
   Nature's Way uses the whole plant that grows above ground.
