As a dietary supplement, take 4 tablets once a day (or 2 tablets twice a day) after meal or as directed by your practitioner.

[Product Description]

Turkey Tail has various names. Scientifically it is called as *Coriolus versicolor* or *Trametes versicolor*. It's Chinese name is Yun Zhi and Japanese name is Kawaratake.

It may be the most studied medicinal mushroom of all. The immune-enhancing activities of Turkey Tail and its ingredients have been extensively studied in Japan since the mid-1970s and over 400 clinical studies have been conducted on it.

Super Turkey Tail contains both the whole fruit body of Turkey Tail and its high-quality extract.

Also it contains an extract of **Maitake D-fraction® (TD-Fraction®)** and **Bioperine®**. Maitake D-fraction® helps maintain healthy immune functioning*. Bioperine® is a pure piperine extract obtained from black pepper fruits which significantly enhances the bioavailability of various nutrients*. **Ginger** is added to help digestion and absorption*.
