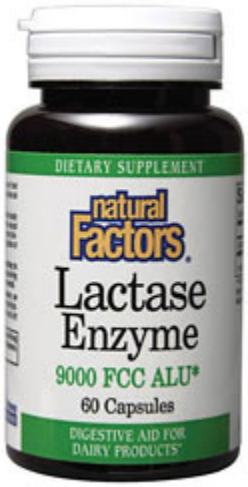
buy now



Lactase Enzyme breaks down the milk sugar, lactose, into an easily digestible form. It effectively allows people, who have their natural enzyme compromised, enjoy lactose containing foods without discomfort. Lactase Enzyme is the optimal support for the digestion of dairy products.*

Suggested Usage:
1 capsule just before consuming any food containing lactose or as directed by a health professional. Keep out of reach of children.

Contains no artificial preservatives, color or sweeteners; no dairy, soy, starch, wheat or yeast.
