Echinacea/Astragalus/Reishi Formula

Description
Organically grown Echinacea purpurea synergistically blended with two other popular medicinal herbs.

Usage
Echinacea purpurea supports the immune system*, while Astragalus and Reishi are two of the most important traditional Chinese medicinal herb tonics. *

Recommended Daily Dosage
420 mg per capsule. Take two to three capsules three times daily with water at mealtimes or prepared as a tea. After taking Echinacea for six to eight weeks, a two- to four-week break is recommended before restarting use for best results.

Product Q&A

1. What are the advantages of using a formula that combines Astragalus and Reishi with Echinacea purpurea?
   Astragalus and Reishi are immune builders and work as tonics which complement the immune stimulating properties of Echinacea.

2. May this formula be used on a daily basis for extended periods of time?
   Limit usage to two weeks or less for optimal results.
