Gr8-Dophilus® - 60 Vcaps®

NOW® Gr8-Dophilus is a combination of 8 different species of beneficial bacteria designed to support gastrointestinal health and immune system function. FOS is also included in this product to assist healthy growth of acidophilus and bifidus organisms. Because this capsule is enteric coated, NOW® Gr-8 Dophilus delivers its microflora directly to the intestine bypassing the harsh acidic conditions of the stomach. NOW® Gr-8-Dophilus is stable at room temperature, requiring no refrigeration.
