- **Exceeds clinically proven allicin release potency**
- **100% stomach acid protection**
- **Rapid intestinal release**
- **Odor-free Garlic**

Garlicin® is made from high quality, alliinase-rich garlic powder. Using the SmartRelease® tableting and enteric-coating technology exclusively developed by Nature's Way, Garlicin® is guaranteed to have 100% stomach acid protection and rapid disintegration in the intestines.

Dosage
Take 1 tablet twice daily with meals or as recommended by your healthcare professional. For general maintenance, take 1 tablet daily. Garlicin® should be taken consistently for maximum benefit.
