Propolis is a gummy substance made by bees. They combine it with beeswax to fortify and sterilize their hives. Propolis has been traditionally used for centuries as support for the immune system.*

Suggested Usage:
1 capsule, 1-2 times per day or as directed by a health professional. Keep out of reach of children.
Caution: People allergic to bees or bee products may be more likely to experience allergic reactions. Not recommended for pregnant or lactating women.
Contains no artificial preservatives, color or sweeteners; no corn, dairy, starch, wheat or yeast.
