Hyaluronic Acid Complex

Supports Skin and Joints *

Dosage: n/a
Size: 60 Capsules
Category: Joint Nutrition
Product Number: 29018
Product Code: HYAL

Usage: Take 2 to 4 capsules per day with or without meals, or as directed by your qualified health consultant. Pregnant and nursing women should consult a physician before using.

BioCell Collagen II® is a low molecular weight, water-soluble glycosaminoglycan complex completely derived from chicken sternum cartilage and is standardized to naturally contain at least 20% chondroitin sulfate and 10% hyaluronic acid (50 mg per capsule). Hyaluronic acid provides the fluid matrix for joint lubrication, skin hydration, and skin repair. Unlike ordinary collagen products, patented BioCell Collagen II® is a rich source of bioavailable hyaluronic acid and is clinically proven to support joint health.* BioCell Collagen II® is protected by US Patents 6,025,327, 6,327,319, and 6,780,841 and other US and foreign patents pending.

BioCell Collagen II® is a registered trademark of BioCell Technology, LLC, Newport Beach, CA.

Keep out of the reach of children.
