- **Moisturizes & rejuvinates skin***
- **Smoothes premature lines/wrinkles***
- **Lubricates & cushions joints***

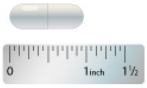
Hydraplenish™ contains the patented BioCell Collagen II™ complex for healthy connective tissue and synovial fluid.*

Hydraplenish™ has superior bioavailability and a lower molecular weight than other sources of hyaluronic acid.

Hyaluronic acid is a "gelatin-like" fluid that acts as a natural lubricant and shock absorbent within the body. It's an important part of healthy connective tissue, and is also abundant in the eyes, joints, heart valves and skin.

Dosage
Take 2 capsules daily. For intensive use: Take 4 capsules daily.

Dosage Form



Precautions
If pregnant or lactating, consult your healthcare professional before taking this product.
