

Jarro-Dophilus EPS™

n/a*

Dosage: 4.4 Billion Organisms Per Cap
Size: 120 Vegetarian Capsules
Category: Probiotics
Product Number: 103024
Product Code: JEPS120

Print product info

Usage: Take 1 to 2 capsules per day, preferably on an empty stomach, though it may be also taken with food, or as directed by your qualified health consultant.

Jarro-Dophilus EPS™ is a Stable-Dophilus™ enhanced probiotic system. Jarro-Dophilus EPS™ is stable at room temperature and enteric coated.

Jarro-Dophilus EPS™ is room temperature stable, but preferably refrigerate to safeguard product from heat.

Blister packaging each capsule provides extra protection to the bacteria against moisture and oxygen.

THE PROBIOTIC SUPER FORMULA

At time of manufacture, each capsule contains approximately 4.4 Billion organisms.

Jarro-Dophilus EPS™ is room temperature stable and enteric coated, delivering directly into the intestines 8 different species of probiotics representing 4 genera of bacteria:

Lactobacillus, Bifidobacteria, Lactococcus and Pediococcus

Bifidobacteria longum BB536 (morinaga strain) has been shown to colonize , stimulate immune response and suppress intestinal pathogens.

L.rhamnosus R0011 is a unique, high producer of polysaccharides, which facilitate colonization and stimulate intestinal immune response.

Lactococcus and Pediococcus help reduce spoilage caused by undesirable bacteria in cultured dairy products.

Storage: Refrigeration is not necessary. However, refrigeration is recommended in order to maintain the maximal survival and prolong the shelf life of the organisms

Keep out of the reach of children.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

Other Ingredients: Potato Starch, magnesium stearate and ascorbic acid. Gluten Free. Contains: Dairy (milk and casein peptide) and soy. Vegetarian capsule consists of hydroxypropyl methylcellulose. Water-based enteric coating consists of hydroxypropyl methycllulose, magnesium silicate, methacrylate copolymer.
