Sinus Decongest

A blend of herbs that exert an immediate, dramatic effect on the sinus area.

Who might benefit from this herbal formula?

Those suffering from sinus infections, sinus headaches, cold and flu, congestion from allergies and environmental toxins. Those who snore. Those with congestion while flying. It is best to inhale deeply right after taking Phyto-Tech™Sinus Decongest. The deeper one inhales, the more effecive the result. These herbs are pungent and aromatic, producing vapors that open and dilate the sinus passageways. This facilitates breathing, drainage and helps fight microbial growth. It produces a short term intensity that is followed by a more mellow, warming sensation in the sinus area. Sunus Decongest will open even the most stubborn and clogges sinus cavity. It can be used many times during the day to help maintain breathing and sinus drainage.

How does it work? Peppermint Oil and Fresh Organic Horseradish pulls the action up and into the sinus while the pungency of Cayenne, Garlic Onion and Horseradish increase circulation. Since the sinus cavity has poor circulation in general, this increase allows immune compounds in the blood to fight infection. The additional Immuno-Stimulating action of Echinacea, Spilanthes, Goldenseal, Elderberry, Garlic, Olive and Fresh Osha help stimulate the body to fight off microbial inundation and assist in healing. Decongesting herbs like Horehound, Licorice, Wild Cherry and Osha also help clean the lungs. Sinus Decongest helps to thin, thick and infected mucus and expectorate it out. In this way, it can help resolve an unproductive cough. Fever managing herbs like Boneset, Yarrow, Osha, Andrographis and Peppermint also help reestablish immune homeostasis. *General Dosage: Take 15-30 drops directly in mouth, or in water or juice as soon as is needed. Take 1-3 times per day and up to every 3 hours when needed. Acute infection: Take every 30 minutes to 2 hours until relief maintains. Phyto-Tech™ Sinus Decongest contains: Horseradish Root Fresh, Spilanthes Herb Fresh, Echinacea angustifolia Root, Elderberry, Peppermint Oil, Olive Leaf, Horehound Herb, Garlic, Licrice Root, Cayenne Fruit, Boneset Herb, Osha Root Fresh, Andrographis Herb, Onion, Yarrow Herb, Goldenseal Root, Wild Cherry Bark, Water Pure Deionized, Alcohol Pure Grain, Glycerin Vegetable, Honey.*
