ViraPlex™ EB

(with Elderberry)

Essential nutrients that support proper immune system function†

Dietary Supplement

Product Numbers: 01358

Product Quantities: 80 Tablets

ViraPlex™ EB with Elderberry, formerly known as ViraPlex™ features a new name and an improved formulation.† The elder flower has been used for years, but recent research has focused on the benefits of the plant's berry, which contains anthocyanins. This improved formula also features astragalus, a Chinese herb that has long been respected and researched for its role in supporting immune health.† The new, proprietary trace mineral blend focuses on the specific compounds and elements that offer immune support, such as selenium, molybdenum and boron.†

Product Nutrient Categories: **Fatty Acid** **Herbal** **Mineral** **Vitamin**

Recommendations: One tablet two or three times daily with or just after meals.

Serving Size: 1 Tablet	**Amount/Serving**	**%DV**
