Parasite Complex

A blend of herbs know to kill parasites.It can be used as a preventive, when traveling, camping, etc., or for treatment of alcute infestations.

Who might benefit from this herbal supplement?

Those who have parasite infestation or those who anticipate being exposed to parasites (travel, camping, etc.) For Prevention, use 60 drops, 2 times per day for a few days before travel and throughout the travel time. Continue for a few days after returning. For acute parasitic infection: 60 - 90 drops 3-4 times per day for 1 month, or until symptoms stop and then for a few more days. Commonly, one can go into a dormant phase of parasitic infection and one needs to continue taking Parasite Complex during this phase. It is common to need to take this for at least one full month in order to kill all parasites in all their phases (eggs to maturity). Phyto-Tech™ Parasite Complex contains Quassia Wood, Black Green Walnut Hulls, Garrya Herb Fresh, Clove Bud, Bayberry Root Bark, Alcohol Pure Grain, Water Pure Deionized. Phyto-Tech™ Parasite Complex can be used along with Phyto-Tech Oregano Oil 70.

Complimentary Formulas: Phyto-Tech Parasite Complex can be used along with Phyto-Tech Oregano Oil 70.
