

DGL

(Deglycyrrhizinated Licorice, Vegetarian)

Supports the lining of the stomach and intestinal tract†

Dietary Supplement

Product Numbers: 09001

Product Quantities: 100 Chewable Tablets

DGL is a unique extract of deglycyrrhizinated licorice widely used in Europe. It's chewable, because saliva enhances the effect of DGL's natural compounds.† In DGL, the glycyrrhizin - a compound associated with high blood pressure - has been removed.†

Product Nutrient Categories: Amino Acid Herbal

Recommendations: Chew two tablets twenty minutes before each meal.
