Trust The Leaf™

White Willow

Latin Name
Salix alba

Description
Encapsulated White Willow bark, carefully peeled in small sections from wild trees, the tree is not harmed in the process.

Usage
White Willow was the basis of the synthesis of aspirin. It contains salicin and related compounds. It has been used for more than 2,00 years to relieve aches and pains of all sorts.*

Recommended Daily Dosage
Take one to two capsules three times daily with water as needed or prepared as a tea.
