Urinary Kidney Complex

A blend of herbs effective against urinary tract infections--acute and chronic.

Who might benefit from this herb?

Those with urinary tract infections, both acute and chronic. The Uva Ursi is germicidal in the urinary tract. Juniper and Myrrh are also strong antibacterial herbs for the urinary tract. It is important to increase the flow of urine to wash out the urinary tract. This is facilitated by the addition of Dandelion, Nettle. It helps to drink large amounts of water as well. The Marshmallow is a soothing herb to the mucosa of the urinary tract to help decrease pain and discomfort. *Phyto-Tech™Urinary Kidney Complex contains the following: Uva Ursi Leaf, Nettle Leaf, Fresh Dandelion Root, Juniper Berries, Fresh Marshmallow Root, Horsetail Herb, Fresh Ginger Root, Grain Alcohol, Deionized Water. Dosage: General: 20-40 drops, 2-3 times per day or as needed in juice or water. For acute infection: 60-90 drops every 3-4 hours in juice or water*

1 fl oz, Prod Code: 56990
