Perfect Health ™

available in 90 size

A versatile formula for everyday use to build resistance, or at the first signs of feeling under the weather . Features nutrients that play a role in healthy immune system function, such as vitamin C and zinc; herbs that tonify the deep level defenses, such as astragalus and eleuthero; herbs effective for short-term use, including echinacea and goldenseal; and a base of spirulina, a blue-green algae that is nourishing and tonifying.
