Wellness Formula is the #1-selling vitamin and herbal winter supplement. Wellness is uniquely effective because it goes deep to the root cause of body system imbalances. This Bio-Aligned Formula supports interlocking components of the immune system-mucous membranes, cell-mediated immunity and humoral immunity-and also addresses antioxidant defense, stress response, and the respiratory system. A megapotency of vitamin C, plus echinacea, goldenseal, astragalus, propolis and garlic, have made Wellness Formula a welcome companion in the cold-weather battle.
