Calming Complex

Child Friendly

This supplement, designed for children, exerts a sedative and calming action appropriate for daytime use. It can also be used at night to help induce sleep.

Who would benefit from this supplement? Children who are hyperactive, anxious, obsessive compulsive, ADHD or insomnia.

Phyto-Tech™ Child Friendly Calming Complex contains the following herbs: Chamomile Flower, Valerian Root, Hops Strobiles, Lobelia Herb, Vegetable Glycerin, Pure Dionized Water.

Phyto-Tech™ Child Friendly Calming Complex can be used during the day to help calm down an excitable child. It can be used as a daily tonic or on an as needed basis. It can also be used at night (10-30 minutes before bed time) to help bring on sleep. Typically, it will not make a child sleepy when used in the daytime. It is a strong yet gentle central nervous system and adrenaline calmer. It will help slow down a hyperactive child to increase focus in the day. It can also be used for situations that create anxiety and stress, ranging from airline flights and car trips to difficult family situations to performance anxiety.

Phyto-Tech™ Child Friendly Calming Complex will also function as a mild analgesic, and take the edge off muscle pain and tension. It will help spasms, cramping, colic pain and gas pain.

Dosage (by Weight):

10-30 lb. Use 10-20 drops; 31-60 lb. Use 20-40 drops; 61-100 lb. Use 40-60 drops; Over 100 lb. Use 60-90 drops. Administer 2-3 times per day or as needed in juice or water. Direct dosing in the mouth is OK.

Cautions: If a child is taking a prescription sedative, consult with the doctor, and take lower herbal doses.
