Coenzymate™ B Complex

Orange and Peppermint Sublinguals * With CoQ10

enlarge bottle

These coenzymes, with additional B-vitamins and CoQ10, are the active components of thousands of enzyme systems. They work closely together to assist in energy production, fat and protein/amino acid metabolism, nervous system function, and the conversion of various amino acids into neurotransmitters.

Supplement Facts for orange
Serving Size: 2 tablets

	Amount	%DV
