Life Minerals™

Krebs Cycle Multimineral Complex

enlarge bottle

Life Minerals is a comprehensive multimineral formula. The minerals are bound to organic compounds of the Krebs cycle (cellular energy production system), with other nutrients that are the transport forms for each mineral.

Minerals are critical to human metabolism: they are key elements in thousands of enzymatic reactions in the body and are the foundation of the body's electrochemical systems.

Supplement Facts

Serving Size: 4 tablets

	Amount	%DV
Vitamin C (as zinc & manganese ascorbates)	80 mg	1.4
Vitamin D-3 (as cholecalciferol)	200 IU	0.5
