Quercetin 500™

Capsules
500 mg each
A Bioflavonoid Antioxidant
100 count Prod # 14016
200 count Prod # 14052

Suggested Usage: Take one or more capsules per day with meals, or as directed by your qualified health consultant.

Quercetin is a flavonol (a subclass of flavonoids) and is a potent antioxidant providing cardiovascular protection by reducing oxidation of LDL cholesterol. Quercetin is one-half of the rutin molecule, another flavonol and is the more active antioxidant.
