Energy The Universal Protein Shake

Product No. 45901

Energy is a power-packed formula providing the foundation for incredibly delicious energy shakes. Each serving contains only 70 calories and offers 16 grams of energy-producing protein, along with a rich blend of vitamins, minerals, whole foods, enzymes and herbs. Because Ener-G contains no added sugars or artificial sweeteners, your power shake tastes great alone, or with the subtle, natural flavor and sweetness of your own combination of ingredients, while providing fewer calories than most other shakes. Energy truly is the universal protein.
