Lymphatonic™ (Echinacea/Red Root Complex). Excellent deep acting immune system cleaner. A must for recurring or lingering, hard to shake colds, flu, infections and frequent minor illnesses. Use for acute swelling of tonsils and/or lymph nodes. Specific for uterine, ovarian or breast cysts. Speeds up healing of cuts, boils, or other poorly healing abrasions. Useful to shorten healing time of poison ivy or poison oak infection as well as cat-scratch disease.

Ingredients: Echinacea angustifolia root, Red Root root, Ocotillo stem, Burdock root, Chinese Licorice root, fresh Dandelion root, Yellow Dock root, Wild Indigo root, Blue Flag root, Stillingia root.

Dose: Take 25 drops in water or one softgel four times a day for 15 days. For cysts, take with Red Root liquid herbal extract, 30 drops (or a Lymphatonic™ softgel instead of the Lymphatonic™ liquid herbal extract) of each three times a day.

Contraindications: Not in pregnancy.
