Attention Complex

This "Child Friendly" supplement supports healthy attention and concentration.

Who would benefit from this supplement? Children who suffer from ADHD, ADD, poor concentration and focus, stress, fatigue and mental exhaustion.

Phyto-Tech™ Attention Plus is effective for increasing cognitive ability, helping attention, memory and focus, increasing concentration capacity, reducing mental fog and alleviating stress and fatigue. It can be helpful for those who have Attention Deficit Hyperactivity Disorder (ADHD), which affects one's ability to pay attention, stay still, and/or control their impulses.

Phyto-Tech™ Attention Complex contains the following herbs Ginkgo biloba Leaf, Gotu Kola Leaf, Licorice Root, Lobelia Herb and Rhodiola Root.

(See label for age-adjusted dosage guidelines)
