Uva Ursi Leaf 1:3

A powerful urinary tract antiseptic and diuretic.

Who might benefit from this herb?

Those with urinary tract infections. Phyto-Tech™ Uva Ursi Leaf contains arbutin, which is thought to be responsible for the herbs powerful urinary tract antiseptic properties. It is best used short term,, for acute situations, for up to 2-3 weeks. It is often combined with cranberry juice to acidify the urine. It also exhibits diuretic properties, and helps to flush the urinary tract. *Dosage: 30-60 drops 2-3 times per day or as needed in juice or water. Can increase dose to 4-5 times per day in very acute situations for a few days.*

1 fl oz, Prod Code: 57042
