

St. John's Wort Extract

Promotes mental well-being†

Dietary Supplement

Product Numbers: 08670 , 08672 , 08676

Product Quantities: 240 Capsules, 120 Capsules, 60 Capsules

St. John's Wort Extract is the same standardized St. John's wort extract used in the landmark clinical studies.

People throughout the world rely on St. John's wort as a daily supplement that promotes mental well-being.† More than 25 double-blind, controlled trials have confirmed this herb's tremendous advantages. St. John's Wort Extract is standardized and lab-tested, making it the most trusted St. John's wort extract available.

Product Nutrient Categories: Herbal

Recommendations: One capsule three times daily.

Capsule Size: 1

Serving Size: 1 Capsule	**Amount/Serving**	**%DV**
St. John's Wort (Hypericum perforatum) flower head extract standardized to contain a minimum of 0.3% hypericin and 3% hyperforin	300 mg	*

*Daily Value (DV) not established.

Other Ingredients: gelatin, magnesium stearate, silicon dioxide and titanium dioxide color.

Warnings: Due to the St. John's wort extract, in extremely rare cases, light-skinned people may experience a sensitivity to excessive exposure to the sun. If taking a prescription drug, consult a health care practitioner prior to use.

Contains No: sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial flavoring and preservatives. All colors used are from natural sources.

Notes: This product is produced from the flower head portion of St. John's wort (Hypericum perforatum), a perennial herb grown around the world. St. John's wort is the source of the unique compounds hypericin & hyperforin.
