Saccharomyces Boulardii

100 Capsules
1 Billion Live Organisms
per Capsule
Hypoallergenic
Prod # 03004

USAGE: Take 1 to 3 capsules per day with unchilled water, or dissolve in mouth, 20-60 minutes after eating, or use as directed by your qualified health consultant. You may also open the capsule and pour contents over food or use in recipes that require live yeast for fermentation.

Jarrow Formulas® Saccharomyces Boulardii +MOS contains live, friendly yeast and MOS (MannanOligoSaccharide) derived from S. cerevisiae. MOS are oligosaccharides consisting of multiple mannose units. MOS directly block bacterial attachment to the epithelial cells of the intestine and reduce their proliferation.

The combination of Saccharomyces boulardii and MOS provides enhanced support to the intestinal tract and assists gut immune response against undesirable bacterial.

Keep out of the reach of children.

SUPPLEMENT FACTS Serving Size 1 Tablet	Amount	% DV
Saccharomyces Boulardii (a Subspecies of *S. cervisiae*) 1.5 Billion Live Cells at time of manufacture	1.5 Billion Organisms	*
Bio-MOS® [derived from S. cerevisiae, source of MOS (MannanOligoSaccharide)]	200 mg	*
* Daily Value not established.		

Other Ingredients: Maltodextrin, magnesium stearate, and ascorbic acid. Capsule consists of gelatin. Contains NO common allergen. Keep refrigerated or in freezer.

Bio-MOS® is a trademark of Alltech.
