Reishi Mushroom 1:3

A powerful adaptogenic herb with proven immune enhancing activity.

Who might benefit from this herbal supplement?

Those under constant, daily stress; those who suffer from frequent illness, those undergoiing chemotherapy. Reishi Mushroom is for those under daily stress and want to avoid break down. Stress can bring on irritability, fatigue, weakened immune function, headaches, poor digestion, and elimination problems. Stress does not directly cause disease, but brings it on faster, usually along the lines of ones genetic, constitutional, predispositional or inherited weakness. Conversely, the release of stress promotes healing. Reishi Mushroom is best used over the long-term (one month or more). It can be valuable to those suffering from chronic fatigue syndrome. *Phyto-Tech™ Reishi Mushroom 1:3 contains Red Reishi Mushroom, Pure Grain Alcohol, Deionized Water, 250 mg/ml (30 drops). Dosage: 20-60 drops, 2-3 times per day or as needed in juice or water.*

1 fl oz, Prod Code: 57063
