Folic Acid

Description
Our Folic Acid is 100 % natural metabolizing coenzyme. It is more bioavailable than other food sources that are generally poorly absorbed.

Usage
Folic acid is a necessary precursor for the manufacture of genetic material like RNA and DNA. It also assists in the growth and repair of tissues and in the conversion of fats and amino acids into other useful products in the body.*

Recommended Daily Dosage
Take one capsule daily with a meal or water.
